

# Flint Energy Services Inc. J. W. Williams, Inc.

## Your trusted single source provider.

Flint Energy Services Inc. and J. W. Williams, Inc. have operational offices and manufacturing districts throughout the U.S., from the northern Rockies to southern Texas to the Appalachians and in-between.

Each of our district offices is staffed by experienced people geared to the unique needs of the area. We also have the capability to draw upon resources from our other districts to support major projects.

Our customers benefit from Flint and J. W. Williams' unmatched project management, employees' depth of experience, and our customer-focused attitude. Our combined resources have just made your tough decisions very simple.

Deep capabilities, broad services throughout the energy cycle, a committed safety culture, an engaged workforce, and a constant focus on helping customers succeed. That's Flint.
